

CCE SOUTH EAST ASIA
Corrugated & Carton Exhibition

International Exhibition for the Corrugated and Folding Carton Industry

5 – 7 September 2018

Exhibit Categories

1. Raw Materials and consumables

- 1.1 Block foils
- 1.2 Barriers, coating and varnishes
- 1.3 Cartonboard
- 1.4 Cartonboard (barrier treated)
- 1.5 Inks
- 1.6 Window Film
- 1.7 Tape (tear strip/ splicing)
- 1.8 Adhesives (converting)
- 1.9 Casemaking raw materials (fluting/liner)
- 1.10 Lubricants
- 1.11 Corrugated starch/ additives
- 1.12 Strapping material
- 1.13 Raw materials and consumables, general

2. Corrugating line

- 2.1 Corrugator stackers
- 2.2 Web alignment
- 2.3 Corrugator belts
- 2.4 Sheet board counter
- 2.5 Bridge/ tension control
- 2.6 Steam systems
- 2.7 Double backer
- 2.8 Single face corrugator
- 2.9 Glue system
- 2.10 Complete corrugator
- 2.11 Rotary shear
- 2.12 Sound enclosures
- 2.13 Mill roll stands
- 2.14 Cut-off knife
- 2.15 Cutting and creasing tools
- 2.16 Splicers
- 2.17 Starch kitchen
- 2.18 Corrugator automation and controls

- 2.19 Corrugator rolls
- 2.20 Corrugating line, general

3. Corrugated converting equipment

- 3.1 Sheet cleaning
- 3.2 Boxmaker (one piece)
- 3.3 Printer slotters
- 3.4 Folder gluer (specialty stand alone)
- 3.5 Flat bed die-cutter (manual, semi and auto)
- 3.6 Stitcher
- 3.7 Inline flexo folder gluer
- 3.8 Chambered doctor blades
- 3.9 Adhesive applicator /detector/monitoring systems
- 3.10 Sound enclosures
- 3.11 Litho laminator (full and label)
- 3.12 Quality control systems (inline)
- 3.13 Anilox rolls and cleaning systems
- 3.14 Rotary die-cutter
- 3.15 Anvil converters
- 3.16 Partition maker/ assembler
- 3.17 Corrugated converting equipment, general

4. Folding carton converting equipment

- 4.1 Box making machinery
- 4.2 Braille applicator
- 4.3 Code reader / verifier
- 4.4 Product quality detector and monitoring
- 4.5 Folder gluer belts
- 4.6 Folder gluer
- 4.7 Window patcher
- 4.8 Hologram devices/ application
- 4.9 Carton erecting/ tray forming
- 4.10 Adhesive applicator / monitoring
- 4.11 Litho laminator (full and label)
- 4.12 Pick and place systems
- 4.13 Foil blocking (hot and cold)
- 4.14 Embossing equipment
- 4.15 Case packer (inline with gluer)
- 4.16 Die-cutter (manual, semi and auto)
- 4.17 Folding carton converting equipment, general

5. Printing equipment

- 5.1 Anti- static equipment
- 5.2 Coasters
- 5.3 Digital
- 5.4 Print inspection

- 5.5 Ink viscosity /pH controls
- 5.6 Flexo post printer (offline)
- 5.7 Flexo pre-printing press
- 5.8 Flexo web press
- 5.9 Inline cast & cure
- 5.10 Inline foiling
- 5.11 Litho offset (sheet fed)
- 5.12 Gravure press
- 5.13 Drying (UV and IR)
- 5.14 Printing equipment, general

6. Pre-production and pre- press

- 6.1 Mounting/ proofing systems
- 6.2 CAD/CAM systems
- 6.3 Ink kitchens and blending systems
- 6.4 Board sheeter
- 6.5 Photopolymer plates and plate making equipment
- 6.6 Plate, knives and consumables
- 6.7 Plate washer
- 6.8 Rotary shells and dies
- 6.9 Sample maker / plotter
- 6.10 Cutting and creasing matrix/rule/forms
- 6.11 Die making equipment
- 6.12 Pre-production and pre-press, general

7. Materials handling and warehousing

- 7.1 Stacker (converting)
- 7.2 Load former
- 7.3 Conveyor system / components (reel and stack)
- 7.4 High rack storage
- 7.5 Die/ stereo storage systems
- 7.6 Palletiser
- 7.7 Pre – feeder
- 7.8 Transfer cars
- 7.9 Separator / breaker / blanker
- 7.10 Pile turner / jogger
- 7.11 Stretch / shrink wrapper
- 7.12 Strappers and banderoling
- 7.13 Compression strappers (pallet)
- 7.14 WIP storage systems
- 7.15 Materials handling and warehousing, general

8. Machine and plant controls

- 8.1 Data collection
- 8.2 Complete plant scheduling
- 8.3 Cost estimating and plant admin
- 8.4 Warehouse/ tracking
- 8.5 Machine monitoring
- 8.6 MIS systems
- 8.7 Corrugated scheduling
- 8.8 Machine and plant controls, general

9. Waste extraction and baling

- 9.1 Waste conveying (belt / air)
- 9.2 Effluent plant / systems
- 9.3 Waste water treatment
- 9.4 Balers (horizontal and vertical)
- 9.5 Shedders
- 9.6 Dust extraction
- 9.7 Hoggers
- 9.8 Waste extraction and baling, general

10. Service, information & communication

- 10.1 Trade & technical publications
- 10.2 Research & development
- 10.3 Service & consulting
- 10.4 Associations
- 10.5 Service, information & communication, general
